REQUEST FOR TEMPORARY ELECTRIC SERVICE

OWNER/TENANT: _____ BUILDING PERMIT: _____
TYPE OF WORK: _____ PROJECT ADDRESS: _____
MAILING ADDRESS: _____

The undersigned requests temporary electric service at the referenced project address for the purpose of construction in accordance with section 305-3(a) of the National Electric Code. The undersigned hereby agrees that the temporary electric service shall not be used for any other purposes, including occupancy of the building or space prior to receiving a final inspection approval.

If the temporary service is used for any purpose other than construction or related work authorized by the building permit, the Building Official may request the serving utility company de-energize the system. Neither the city nor utility company herein shall be liable for any damages caused by the loss of electrical service.

It shall be the responsibility of the undersigned to assure that a final inspection is made and approval received prior to occupying the building or any portion thereof.
